PAVILION GARDENS - THE PERFECT LOCATION

EAT AND SHOP

PAVILION TEAROOM

Relax in comfort overlooking the gardens whilst sampling our wonderful menu offering breakfast, lunch, afternoon tea and homemade cakes. Our extensive menu has lots to choose from, from light bites to hearty meals. The Pavilion Tearoom is newly refurbished and steeped in style.

PAVILION KITCHEN

Friendly area with bench seating offering homemade pizzas and salads, locally brewed coffee and pastries. Contemporary in style but timeless in nature.

ICE CREAM PARLOUR AND COFFEE VAN

Try our local ice cream and highly acclaimed espresso coffee here, with both indoor and Promenade seating. This area is welcoming for everyone from families to dog walker or for those who just want to sit back and take in the peaceful views.

GALLERY IN THE GARDENS

Exhibits high class art and design all produced in the High Peak and Derbyshire Dales area.

BUXTON BREWERY SHOP & BEER GARDEN

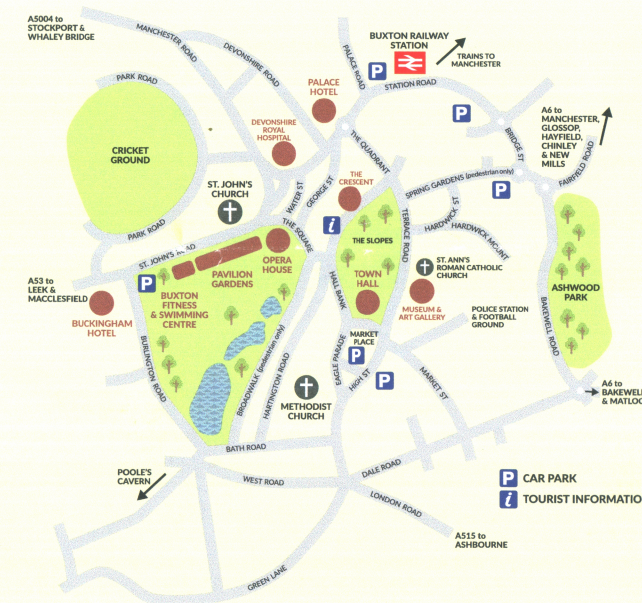

Grab a local treat with amazing ales, which can be enjoyed on the Promenade or to take home. Their shop offers a range of gifts, food, drink, homeware and toys..

PLAY

- 23 acres of beautifully restored, award winning, Victorian Gardens.
- Ornate bandstand where bands play most summer Sunday afternoons and bank holidays from 2pm-4pm.
- Large Victorian cast iron and glass conservatory garden.
- Boating Lake and Miniature Railway - Weekends and school holidays (weather permitting). Rowing boats and pedalos can be hired from the lakeside kiosk, 10:30am-4pm Monday to Saturday, 12:30pm-4pm on Sunday.
- Large adventure playgrounds and picnic areas.

BUSINESS & ENTERTAINMENT

- Licenced for weddings and civil wedding ceremonies.
- Available for private catering functions and can seat up to 180.
- Grand Octagon Hall and Lounge are available for private functions and events and can seat up to 860.
- Pavilions Arts Centre blends historical features with state-of-the-art facilities to provide a unique multi-purpose exhibition, presentation, function and theatre space.
- Boardroom boasting the latest IT and communications technology is suitable for smaller meetings, presentations or to support larger events in conjunction with the use of other rooms.
